### **APPLICATION DESCRIPTION**

The applicant proposes to subdivide approximately 5.2218 acres of land for the future extension of Pebble Hills Boulevard and two commercial lots. The commercial lots are approximately 4.1775 acres. Access to the subdivision is proposed from Pebble Hills Blvd. and Zaragoza Road. The City has a funded project for improvements to this portion of Pebble Hills, which will consist of 105' - 110' right-of-way in compliance with the Major Thoroughfare Plan (MTP) and the existing street network. This subdivision is reviewed under the current subdivision code.

## **CASE HISTORY and REQUEST**

The Preliminary plat for this subdivision was approved by City Plan Commission on February 27, 2014.

The Final plat for this subdivision was approved by City Plan Commission on February 12, 2015.

On July 16, 2015, the City Plan Commission re-approved the Final plat which removed a condition requiring Genagra, LP, former owners of a portion of the property, to contribute \$33,694.00 for the construction of the Pebble Hills extension. Originally the contribution was a requirement prior to recording of this plat. The condition for the contribution of \$33,694.00 will be attached to a future proposed plat.

This application reconsideration reflects the new ownership on the property and removes a previously approved access easement through Lot 1, Block 2.
